Ready to go from dreamer to doer?

Housed in UT's acclaimed Lowth Entrepreneurship Center, the M.S. in Entrepreneurship builds the critical business and entrepreneurial skills needed to develop and launch new enterprises. With an emphasis on real-world applications, this one-year program also appeals to professionals who wish to incorporate innovation and vision into existing companies, or to engage in social entrepreneurship. Students are encouraged to focus on their own projects throughout the program or to team with companies in UT's incubator and accelerator.
